MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: 25 May NID Cable

1. I noted with interest the article in the National Intelligence Daily Cable for 25 May on a fishing agreement between the Soviet Union and Guyana, and specifically that there are 38 such agreements with developing countries around the world.

2. I'd like to see an expanded paper on this and perhaps a chart that shows the 38 countries. I'm attempting to draw the conclusion that the Soviets are consistently using the establishment of fishing agreements with sound economic benefits for the developing country as a basis for gaining a foothold.

MEMORANDUM FOR: A/DCI/PA

FROM: Director of Central Intelligence

1. At a cocktail reception Tuesday night, 24 May 1977, I had conversations with Rolly Evans and Sally Quinn.

2. Both would like an interview. I told them both yes, but with no definite time. I particularly explained to Sally Quinn that I was anxious to avoid personal publicity but only have those interviews, etc., which shed light on the CIA.

MEMORANDUM FOR THE PRESIDENT

As arranged with Jody Powell, "60 Minutes" will be filming very briefly at the beginning of our meeting this morning. I believe it would be very helpful to me and to the Intelligence Community if you could make a few brief remarks commendatory of the performance of the Intelligence Community and of the CIA in particular.
